

ATTENTION: STUDENTS and RECENT GRADUATES!

Interested in working in the **non profit** world? Looking for a way to build your resume in **Middle East peace** initiatives? Want to gain experience in a **fast-paced, challenging, dynamic** office environment? Become a **OneVoice Movement** intern or volunteer!

The OneVoice Movement (www.OneVoiceMovement.org) is a growing international grassroots movement designed to amplify the voices of the overwhelming majority of moderate Israeli and Palestinian citizens who wish for an end to the conflict. With over 250,000 members in Israel and Palestine to-date, OneVoice is building a civic engagement platform to empower citizens to seize back the agenda from violent extremists on both sides, by taking decisive action to propel their leaders toward a two-state solution. OneVoice operates with offices in Tel Aviv, Ramallah, Gaza City, Ottawa, and London, with international headquarters in New York.

The New York office is currently seeking interns and volunteers to assist staff in the following areas:

-  Government Relations
-  US and International Fundraising
-  Foundation Operations
-  International PR
-  Viral Marketing & Internet Outreach
-  Translation between Hebrew, Arabic, and English

OneVoice will provide a \$100 per month transportation stipend for all full-time interns, and a partial stipend for all part-time interns. Full-time employment opportunities are also available.
